

# WIKTORIA SAWICKA

I graduated from the Wrocław University of Science and Technology with a Bachelor of Science in Architecture.  
For a year I gathered experience in designing e-commerce stores. Currently I'm working at Capgemini where I am responsible for an innovative project for a bank. I am a passionate designer who loves working in a team, analyzing and finding solutions to user and client problems. I have an open mind and good communication skills, which makes me a good team member.
